CREEKSIDE CHRISTIAN CHURCH

Always Have An Answer, *AHAA* is a 12-week study to examine why we believe what we believe as Christians. Students will explore the foundations and sacraments of our faith. The study provides an effective way for students to answer those fundamental questions we all ask as Christians. Together, the students will discover the truths of the Bible, as they gain knowledge of the Word with practical applications of its truths, all while developing a stronger relationship with Jesus Christ and one another.

Highlights of the study include -

- Who is God?
- What is the Bible?
- What is Sin?
- Why the Cross?
- What is Repentance?
- What is Baptism?
- What is Worship?
- A Clean Life.
- What is Prayer?
- What is the Church?
- and much more.
